The References Listed alphabetically according to first author’s last name.

Retrieved from "http://psychology.wikia.com/wiki/Nepal"

**Note:** If you also have a published work or know about others’ work which does not appear in the current list then, to add it please go to the url: http://psychology.wikia.com/wiki/Nepal and update the wiki.

**Psychology Network** is active as a group in citeulike.org and collects the citations of the books and research. Citeulike.org is a must-know site for researchers and academicians to organize their references online in a quick and easy manner. Go to: http://www.citeulike.org/groupfunc/8082 and add them here too.
