## **Student Services Fee**

The Student Services Fee (formerly Registration Fee) covers services which benefit students and which are complementary to, but not part of, the instructional programs. The fee supports operating and capital expenses for services related to the physical and psychological health and well-being of students; social and cultural activities and programs; services related to campus life and campus community; and educational and career support services. The amount of the Student Services Fee is the same for all campuses in the UC system and is set by The Regents.
