Neurology[®] Podcast

ALS motor phenotype heterogeneity, focality, and spread: Deconstructing motor neuron degeneration

The weekly podcast of content from *Neurology* is located on the AAN Web site at www.aan.com. Select the “podcast” button in the *Neurology* section under Publications Highlights to subscribe to the podcasts or listen to an individual podcast.

This week’s podcast features an interview by Dr. Michael Benatar with Dr. John Ravits about his paper on ALS motor phenotype heterogeneity, focality, and spread.

Neurology[®] Online CME Program

Earn CME while reading *Neurology*. This program is available only to online *Neurology* subscribers. Simply read the articles marked CME, go to www.neurology.org, and click on CME. This will provide all of the information necessary to get started. The American Academy of Neurology (AAN) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to sponsor continuing medical education for physicians. *Neurology* is planned and produced in accordance with the ACCME Essentials.
